

RF/MICROWAVE — POWER — TEST & MEASUREMENT

A1 Microwave

Waveguide Filters and Components | Passive RF and microwave filters, components, and multi-function assemblies for satcom, telecom, radar and scientific applications.

A1 Microwave, Yorkshire UK

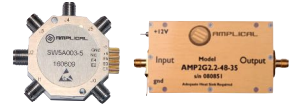

a1microwave.com

Amplifiers & Control Components | High Performance RF and Microwave amplifiers to 1kW+, attenuators, switches, and integrated microwave assemblies to 40GHz.

Amplical, Whippany NJ

amplical.com

Chillers and Heat Exchangers | Recirculating chillers, fluid-to-fluid heat exchangers for laser, medical, process control, R&D. Standalone, rack mount, standard and custom.

Budzar Industries, Willoughby OH

budzar.com

Embedded Power | Modular building blocks of Hi Rel DC/DC converters, AC and DC front ends, and input protection for MIL/Aero, rugged board level power architectures.

GAIA Converter, Le Haillan FR

gaia-converter.com

DC Power Supplies | Lab, R&D, Test, and OEM. Precise and fast programmable linear, rugged, modular, hot swap, 4-quadrant, high power standard and custom assemblies.

Kepeco, New York NY

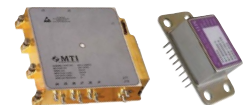

kepcopower.com

Frequency & Timing | Hi Rel oscillators and synthesizers. Spaceflight and low-G sensitivity OXCO, GPSDO, PLL, and Cesium references. Tactical rad-hard, hermetic.

MTI-Milliren Technologies, Newburyport MA

mti-milliren.com

Noise Sources | NIST traceable precision calibrated noise components to 110GHz and standard and custom programmable noise test instruments for built-in test, simulation.

NoiseWave, Whippany NJ

noisewave.com

Specialty Transformers | Electronically controlled ferroresonant, ballast, UV, isolation, step-up and more. Custom transformers, inductors, and controllable power sources.

Shape LLC, Addison IL

shapelc.com

Isolators & Circulators | High power (>15kW) ferrite components. Waveguide, drop-in, coax and hybrid configurations. Surge and lightning protection devices.

Sonoma Scientific, Minden NV

sonomascientific.com

EMI/RFI Shielding | Engineered gaskets, conductive elastomers including MIL-DTL-83528, medical, food, thermal management and chemical resistant applications.

Vanguard Products, Danbury CT
